Kristen Swan Grashel

Profile	Excited to participate in the creation of inspired, thoughtfully designed websites at a fun and innovative company while I continue to develop my craft as a front-end developer.
Education	<p>The Iron Yard, St. Petersburg, FL Front-End Development, 2015</p> <p>University of Florida, Gainesville, FL, B.A. Sociology, 2007</p>
Skills	<p>Languages: HTML, CSS, Javascript, Sass, Jade</p> <p>Frameworks & Libraries: React, Backbone, jQuery, AJAX</p> <p>Workflow & Build Tools: GitHub, Gulp</p>
Experience	<p>wastenot.io</p> <p>Used React, Backbone, jQuery, and Sass to build the front-end portion of an application that aims to reduce food waste and hunger by connecting local businesses with organizations that provide food for the needy. This project was developed in collaboration with a back-end developer at The Iron Yard.</p> <p>Compliance Officer, Pinellas County Housing Authority; Largo, FL – 2006-2013</p> <p>Served as Compliance Officer responsible for detailed file audits of approximately 3,000 files annually. Developed and conducted department trainings, acted as resource for newly published HUD standards and updated department procedures accordingly, completed monthly utilization reports, detected program abuse, managed fraud repayments, coordinated termination hearings.</p>

Financial Aid Advisor, The Chubb Institute; Parsippany, NJ – 2004-2006

Served as Lead Financial Advisor. Determined and packaged student financial aid, met individually with students and counseled them in matters of financial aid.

Volunteer

Guardian Ad Litem, 6th Judicial Circuit; 2011-2013

Served as court-appointed advocate for teenagers in the juvenile welfare system, advocating on their behalf in matters of education, schooling, and housing. Conducted monthly in-home visits to monitor safety and well-being of child in order to submit an informed statement to the court. Appeared in court on specified dates in support of child.
